

Xusniddin Narkulov

Frontend React Developer

About Me and Contacts

- **Age:** 1998, 24 years old
- **Address:** Tashkent
- **Phone:** [94 641 64 03](tel:946416403)
- **Telegram:** [@la frisson](https://www.instagram.com/lafrisson)
- **Email:** [norqulovhusniddin3@gmail](mailto:norqulovhusniddin3@gmail.com)
- **Portfolio:** [web-site](#)

Education

- 11.2021 - 07.2022 – **Magicsoft Group**, Frontend Web Development - Bootcamp
- 09.2013 - 09.2016 – **Academic Lyceum of TASHPMI**, Natural Sciences

Experience

CRUD App

What I learned:

- CRUD operations with redux using json-server
- Auth and oauth (google authentication), Firebase
- Redux and redux-form : reducers, actions, store, middleware
- React-Router-Dom

CryptoCoin

What I learned:

- REST API
- Redux-Toolkit: create API services and connect to store, async data fetching with RTK Query and use query hooks in components,
- Ant Design, chart.js, react-chartjs-2, millify, moment, html-react-parser
- React-Router-Dom V-6

VideoService

What I learned:

- React Hooks: passing server data into React Components
 - Axios: async data fetching
 - MUI: mui components and mui-icons
 - React-Player
 - Decode and encode strings with html-entities
 - Deployment
-

Skills

Hard Skills

- **Instruments** : JavaScript, React, Redux (Redux-Toolkit), HTML, CSS (SASS), UI libraries(MaterialUI, SemanticUI, AntDesign, TailwindCSS), npm, git, GitHub, AdobeXD, AdobePhotoshop(basic)
- REST API
- MVC Architecture
- CRUD
- Clean Code
- Responsive Design
- Problem Solving (Googling)

Soft Skills

- Lifelong learning
- Time Management
- Responsibility

Language

- **Uzbek:** Native
- **English:** A2
- **Russian:** B1
